

Aetna Specialty CareRx List

This list of drugs requires closer monitoring and will only be available for refill through Aetna Specialty Pharmacy effective Jan. 1, 2009. If you are taking one of these drugs, you will be contacted by Aetna regarding how to use the Specialty CareRx Program in 2009. For more information, visit www.AetnaSpecialtyPharmacy.com or call 1-866-782-2779.
