

2011 Legally Required Notices

Grandfathered Status of Health Plans

The Patient Protection and Affordable Care Act requires plan sponsors such as The McClatchy Company to inform plan participants about the grandfathered status of its medical plans. The statement below is being provided to satisfy that legal requirement.

The McClatchy Company believes the Aetna Select, Aetna Choice and Aetna Routine Care medical plans are “grandfathered health plans” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your medical plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for coverage for participation in certain clinical trials. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of annual limits on essential health benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the plan administrator at 1-866-334-2337 or via e-mail to healthandwelfare@mcclatchy.com. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.

Notice of Opportunity to Enroll Adult Children to Age 26 in Dependent Medical Coverage

Individuals whose coverage ended, or who were denied coverage (or were not eligible for coverage), because the availability of dependent coverage of children ended before attainment of age 26 are eligible to enroll in The McClatchy Company’s Aetna Select, Aetna Choice or Aetna Routine Care medical plans. Individuals may request enrollment for such children until Nov. 30, 2010, which is at least 30 days from the date of this notice, for coverage effective Jan. 1, 2011. For more information contact the plan administrator at 1-866-334-2337 or via e-mail to healthandwelfare@mcclatchy.com.

Notice of Rescission of Coverage Restrictions

Health care plans cannot retroactively cancel or terminate an individual’s coverage, except in cases of deliberate fraud, intentional misrepresentation of a material fact, or failure to pay premiums. Plans that rescind coverage must give affected individuals at least 30 days advance notice. Cancellation of coverage is not considered a rescission if 1) it is prospective or 2) it is ef-

fective retroactively only to the extent attributable to a failure to timely pay required premiums or contributions toward the cost of coverage.

Women's Health and Cancer Rights Act (WHCRA)

The Women's Health and Cancer Rights Act of 1998 requires group health plans to make certain benefits available to participants who have undergone a mastectomy. In particular, a plan must offer mastectomy patients benefits for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

Our plans comply with these requirements. Benefits for these items generally are comparable to those provided under our plans for similar types of medical services and supplies. Of course, the extent to which any of these items is appropriate following mastectomy is a matter to be determined by the patient and her physician.

Our plans neither impose penalties (for example, reducing or limiting reimbursement) nor provide incentives to induce attending providers to provide care inconsistent with these requirements. If you would like more information about WHCRA required coverage, you can contact the plan administrator, at 1-866-334-2337.

Medicaid and the Children's Health Insurance Program (CHIP) Offer Free Or Low-Cost Health Coverage To Children And Families

If you are eligible for health coverage from your employer, but are unable to afford the premiums, some States have premium assistance programs that can help pay for coverage. These States use funds from their Medicaid or CHIP programs to help people who are eligible for employer-sponsored health coverage, but need assistance in paying their health premiums.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, your employer's health plan is required to permit you and your dependents to enroll in the plan – as long as you and your dependents are eligible, but not already enrolled in the employer's plan. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance.**

If you live in one of the following States, you may be eligible for assistance paying your employer health plan premiums. The following list of States is current as of March 3, 2010. You should contact your State for further information on eligibility –
