Section C: Certification/Authorization

I understand that I must submit the McClatchy Pre-Tax Parking/Transportation Claim Form accompanied by the applicable receipts to PayFlex to be reimbursed for non-employer sponsored parking and/or public transportation costs if I am not using my *PayFlex Card*. I understand and certify that all parking and public transportation expenses being claimed under this program must be and are as a result of my commute to work. I understand that I may make changes to my pre-tax parking/public transportation deductions for the following participation period only on or before the 10th business day prior to the first day of the affected month.

I authorize The McClatchy Company to withhold the amounts listed in Sections A and/or B from my salary on a pre-tax basis to cover or contribute towards my transportation costs of my commute to work. I understand my enrollment will automatically renew each month until revoked in writing. If my employer sponsored parking fees increase during this or subsequent years, I authorize my employer to adjust my salary reductions to cover my revised share of the premium, subject to IRS maximum monthly limitations. All authorized deductions will be deducted in relatively equal amounts from all applicable pay periods.

I understand that any unclaimed amounts will be forfeited after six months if I do not submit claims and do not contribute to my account during that period. I also understand that, if I sever employment with The McClatchy Company for any reason, any unclaimed amounts remaining in my account will be forfeited if I have not submitted reimbursable claims by March 1st of the year following my termination. I acknowledge that by participating in this plan, my Social Security and unemployment benefits may be reduced by my election. This election replaces any previous election(s).
