

# Great journalism. Great company.

## Chris Macias, pop music critic

The Sacramento Bee  
Sacramento, California

Covering hip-hop stars such as OutKast's Andre 3000 for the daily paper is just one part of the job. Blogging and podcasting at [sacbee.com](http://sacbee.com) are other elements of the multiplatform, multidimensional experience Chris Macias provides Sacramento music lovers.

It's all part of creating a leading news company for the 21st century. That's why McClatchy looks to NAHJ and similar organizations to help ensure that talented professionals always are available.
