

Great journalism. Great company.

Jack Chang, correspondent

McClatchy Rio de Janeiro Bureau
Brazil, South America

He's covered the rising influence of Venezuelan President Hugo Chavez, revealed the growing air-traffic safety problems in Argentina and Brazil, and explored Chile's exotic Pumalin National Park. Jack Chang, who speaks Mandarin Chinese, Spanish and Portuguese, makes sense of Latin America for readers back home.

It's all part of creating a leading news company for the 21st century. That's why McClatchy looks to AAJA and similar organizations to help ensure that talented professionals always are available.
